

## High School Intern: Content Researcher

**Position:** Content Researcher Intern

**Location:** Remote/Colorado Springs, CO

**Duration:** September 2024 - December 2024

**Hours:** 8:30-11:30am Tuesday & Thursday

**Compensation:** Unpaid, school credit or volunteer hours may be available.

### Overview:

Daily Dose 719 is seeking a high school student with strong research skills to assist in gathering and organizing content for our "Meet The Locals" podcast and monthly newsletter.

### Responsibilities:

- **Guest Research:** Conduct research on podcast guests, including their background, work, and relevant topics.
- **Topic Research:** Identify local events, trends, and stories that could be featured in the podcast or newsletter.
- **Show Notes & Transcriptions:** Prepare detailed show notes and transcribe podcast episodes for publication.

### Qualifications:

- Strong interest in research, journalism, or content development.
- Excellent attention to detail and organizational skills.
- Ability to gather and synthesize information effectively.

### Benefits:

- Develop research skills and contribute to meaningful content.
  - Gain experience in journalism and content production.
  - Opportunity to work in a creative and supportive environment.
-
