

College Intern: Podcast Production Assistant

Position: Podcast Production Assistant Intern

Location: Remote/Colorado Springs, CO

Duration: September 2024 - December 2024

Hours: 10-20 hours per week

Compensation: Unpaid, school credit may be available.

Overview:

Daily Dose 719 is looking for a college student with an interest in audio production to assist in the technical aspects of producing our "Meet The Locals" podcast.

Responsibilities:

- **Audio Recording:** Assist with the recording of podcast episodes, ensuring high-quality sound.
- **Video Editing:** Edit and mix podcast episodes using Adobe Premiere, preparing them for distribution.
- **Technical Support:** Manage audio equipment, troubleshoot technical issues, and ensure a smooth production process.

Qualifications:

- Experience or interest in audio production.
- Familiarity with audio editing software (e.g., Audacity, Adobe Audition).
- Strong attention to detail and problem-solving skills.

Benefits:

- Hands-on experience in podcast production.
 - Build technical skills in audio recording and editing.
 - Contribute to a project that highlights local voices and stories.
-
